## **A BOLD NEW CHAPTER IN** THE STORY OF **HUDDERSFIELD**

A striking new silhouette is taking shape at the very heart of Huddersfield. Rising from the town centre's historic core, the distinctive paraboloid roof structures of Our Cultural Heart mark a bold new era - a perfect fusion of heritage and modern design that will transform the town for generations

Opening in **Summer 2026**, Phase One of Our Cultural Heart will bring together an inspiring new library hub incl. Kirklees Archives, a vibrant food hall, and a spectacular public square - all designed to celebrate community, creativity and connection.

At the centre of it all, the eye-catching curves of the iconic architecture are an instantly recognisable landmark – a nod to Huddersfield's industrial ingenuity and a beacon of ambition for the future.

But Our Cultural Heart is more than bricks and mortar. It's a place to gather, discover, and belong. A place where families, friends and future generations can enjoy culture, cuisine and conversation in one unforgettable setting.

This is not just a regeneration project. It's a legacy in the making.

Be part of the journey. Sign up to the Our Cultural Heart newsletter for the latest news, behind-thescenes insights and event

# Welcome to Kirklees Heritage Open Days

Kirklees contributes over 100 events to this year's Heritage Open Days festival, almost half of them new. The national theme is Architecture, to which many sites have responded in creative and engaging ways. Several are offering architectural sketching activities, sponsored by Our Cultural Heart. Almost 20 churches are also combining Heritage Open Days with Yorkshire Churches Day on Saturday 13 September, a Yorkshire Historic Churches Trust initiative (https://www.yhct.org.uk). The Upper Holme Valley partnership has its own Working Lives theme (https://holmevalleyheritage.com).

Below and overleaf is a complete listing of events across Kirklees, at time of going to press. Full details of what each has to offer are on the national website, www.heritageopendays.org.uk, which may have extra events registered too late for us to include. There you can search by keyword, place, date or within a given radius of your home, and you will find practical information about access, parking and much more.

For some events, advance booking is required. Below we show these as 'a.m.' or 'p.m.', and you will find the exact times, and how to book, on the website, www.heritageopendays.org.uk

Heritage Open Days is coordinated nationally by the National Trust and funded by the People's Postcode Lottery. Events are organised by individual venues, supported by the Kirklees HOD Committee. We try to ensure that details are correct at time of going to press (early August) but sometimes things change, and we may miss a few events registered after our deadline. If you are planning to visit a site, do check the website for updated information – the url above or QR code on the front page will take you there.
